SD35-PCB

- PCB for DUVxxx-SD35xx series
- Circuit pattern material: Cu + Au plate
- Finishing: Ni plate
- Dimension: 15 x 20 x 1.0 mm

Description

SD35-PCB is a printed circuit board designed for easily soldering and mounting LEDs of DUVxxx-SD35 series. The substrate is made of copper and the finishing of mating surface is gold plate.

Specifications

Parameter		Symbol	Values	Unit
Dimensions			15 x 20 x 1.0	mm
Material	Circuit Pattern		Cu	
	Finishing		Ni	
	Mating Sourface		Au	
Weight			2.8	g
